Sobre el Comité Popular

OBJETIVO GENERAL

Promover la construcción participativa de la Agenda Autónoma Hábitat III desde la perspectiva de las necesidades de la comunidad y el derecho a tener ciudad. ***“Otra ciudad es posible”***.

Fomentar procesos participativos de barrios en la determinación de sus planes, programas y proyectos de convivencia humana armónica con la naturaleza, la cultura, el arte y negocios sostenibles, amigables con el ambiente, en franco rechazo a paradigmas consumistas que estimulan el despilfarro y la megalomanía y proponer acciones post Hábitat III

OBJETIVOS ESPECÍFICOS

Analizar los documentos oficiales producidos sobre Hábitat III y difundir a la opinión pública los argumentos que permitan a la sociedad descubrir los intereses ocultos que entrañan este tipo de conferencias mundiales y los impactos que tienen en el ambiente, en la economía, en la cultura y en la sociedad.

Divulgar una lista de quienes ganan con Hábitat III y quienes pierden

Dar a conocer los temas vedados por Hábitat III: violencia en barrios, micro-tráfico, inseguridad, gentrificación, entre otros que ocurren en las ciudades del Ecuador

CALL FOR HABITAT III SIDE & NETWORKING EVENTS, PLUS OTHER UPDATES ON THE ROAD TO QUITO!

CALL FOR EVENT PROPOSALS FOR HABITAT III NOW OPEN! —

National, regional, and local governments, as well as representatives from civil society organisations, parliamentarians, research and academia, grassroots organisations, women's groups, children's and youth groups, business and industries, foundations and philanthropies, professionals, trade unions and workers, farmers, indigenous people, media, older persons, and intergovernmental organisations are invited to apply for organizing side and networking events at the Habitat III Conference taking place from 17 to 20 October 2016, in Quito, Ecuador.

Deadline for applications is 30 May 2016

SIDE EVENTS —

With a duration of one hour each, side events provide a platform to present research and data, projects, initiatives, or networks, signing of agreements, book launches, etc. on specific topics of relevance and interest within housing and sustainable urban development. Side events focusing on implementation and action-oriented initiatives for the New Urban Agenda will be prioritised.

NETWORKING EVENTS

Networking events provide a platform to discuss specific topics of relevance and interest within housing and sustainable urban development. Networking events have a duration of two hours and are an opportunity to build knowledge and strengthen partnerships and networks through sharing ideas and identifying best practices in an effort to advance sustainable urban development in cities and towns around the globe.

HABITAT III VILLAGE DEADLINE EXTENDED TO MAY 2

Don't miss your chance to showcase your urban solution or intervention in the streets of Quito.

Do you have an innovative urban project? Do you want to discuss it, show it, implement it, or test it on urban dwellers in and around the streets of Quito?

The Habitat III Village call for proposals is especially geared for projects that can showcase or implement urban interventions or solutions during the Habitat III Conference. The selected projects, whether temporary or permanent, will be part of the Habitat III Village and integrated in select urban neighborhoods in the city, and can be seen and experienced not only by conference participants but by all Quito inhabitants and visitors.

Be part Habitat III Village and a living legacy for the city of Quito.
