[Intensified cooperation crucial to respond to water local crisis around the world](#)

21/03/2018

The 8th edition World Water Forum, the world largest event on water in the world, is taking place in Brasilia from 18 to 23 March, gathering a high number of delegates involved on the water and sanitation management at all levels. The mission of this year's edition is to promote awareness, build political commitment and trigger action on critical water issues at all levels especially considering the implementation of Sustainable Development Goal (SDG) 6.
