

Some subscribers might be interested in this new position in Geography, Urban Studies and Planning at Western Sydney University, Australia:

Western Sydney University is a modern, forward-thinking, research-led university, located at the heart of Australia's fastest growing and economically significant Western Sydney region. Boasting 10 campuses - many in CBD locations – and more than 170,000 alumni, 44,000 students and 3000 staff, the University has 10 Schools with an array of well-designed programs and courses carefully structured to meet the demands of future industry. The University is ranked in the top two per cent of Universities worldwide and as a research leader, 80 per cent of the University's assessed research is rated at 'World Standard' or above.

The School of Social Sciences and Psychology offers both undergraduate and postgraduate programs, including research programs that combine advanced academic knowledge with real-life training to suit a range of career needs and interests in the following disciplines; Geography and Urban Studies; Anthropology, Sociology, Criminology; Humanitarian and Development Studies; Community Welfare and Social Work; Heritage and Tourism Studies; Therapy Studies; Policing and Psychology. The School's programs must meet the requirements of external accrediting bodies such as: the Planning Institute of Australia; Australian Psychology Accreditation Council (APAC), Australian Association of Social Workers, , Australia and New Zealand Association of Arts Therapy and, Psychotherapy and Counselling Federation of Australia.

The Lecturer / Senior Lecturer will be expected to make a substantial contribution to:

- The teaching of Urban Management and Planning, curriculum development and quality improvement.
- The research direction of the School, including regular publication in high impact national and international journals and the acquisition of competitive external research funding.
- The supervision of honours, masters and higher degree research students.
- The administration and development of postgraduate professional programs.

A Level B (Lecturer) academic is expected to make contributions to the teaching effort of the School and University, and is expected to carry out activities to maintain and develop their research, scholarly and professional activities in areas relevant to their discipline.

A Level C (Senior Lecturer) academic is expected to make significant contributions to the teaching effort of the School and University. The Academic will have PhD qualifications and/or recognised significant experience in the relevant discipline area. At Level C the appointee will normally require a record of demonstrable scholarly and professional achievement in the relevant discipline.

Please refer to the Position Description for further information.

This is a Full-time, ongoing position at our Penrith Campus.

Closing date: 29 April 2018
