=====

Hello everyone,

This is just a quick note to let you know that the pdf version of *Social Theories of Urban Violence in the Global South* (Volume 1 in the SAIC series) is available on the IDRC website on [English](#) and [French](#) pages. It will also appear as the featured IDRC Book in our April *IDRC Bulletin* (sent out on April 19), our email newsletter.

Please use the links provided to promote it within your networks.

The print version will be available in the coming weeks.

Best wishes,

Nola
