

As proud editorial member of Revista Brasileira de Estudos Urbanos e Regionais, I'm happy to report that the last issue (v.20, n.2, 2018) of RBEUR has just been launched and you will be able to access it on [RBEUR website](#).

We have also another excellent news, the inclusion of RBEUR in the [SciELO](#), one of the most selected scientific electronic library online in Brazil.

Your cooperation at this moment is appreciated on at least three fronts:

- to send unpublished articles of your own authorship in Spanish, Portuguese, or English;
- to encourage the submission of articles by colleagues scholars and graduate students;
- to disseminate RBEUR in your academic networks, as well as to indicate other authors and researchers who can eventually cooperate with the Journal

We would like to thank you for your contribution to RBEUR.

Best regards,

Clara E. Irazábal-Zurita
