

Dear All,

LASC would like to invite you to our 14th Annual Student Conference - "[Disruption: Destructive and Generative Ruptures in Latin America and the Caribbean](#)," on April 29 and 30, 2021.

We are excited to host [Dr. Clara Irazábal](#), Director of the Urban Studies & Planning Program at UMD; [Dr. Yanilda González](#), Assistant Professor of Public Policy at the Harvard Kennedy School; and [Dr. Daniel B. Coleman](#), Assistant Professor, Women's, Gender, and Sexuality Studies at UNC-Greensboro.

We also have a fascinating line-up of graduate and undergraduate students from UMD and other schools who will share their research, and we are hosting a panel discussion with artists and an online art exhibition. Please, spread the word among your students, colleagues, and friends. Please be sure to register at: go.umd.edu/lascconference

Hope to see you there!

Thank you,
The LASC Conference Committee
