

Dear all,

We are recruiting a PhD student to carry out her/his thesis in relation to our research project financed by the [Swiss National Science Foundation SPIRIT Program](#) “Transformation of waste management practices and policies in South Asia during and after the COVID-19 pandemic: Impacts on gender equality and sustainability”.

You will find further information on this link:

<https://www.hets-fr.ch/fr/offres-d-emploi/snsf-doctoral-student-waste-governance-in-south-asia/>.

The job description in French here:

<https://www.hets-fr.ch/fr/offres-d-emploi/doctorant-e-en-gouvernance-de-dechets-en-asie-du-sud/>

Deadline for applications is **19. December 2021** (apart from the documents listed, please include your university transcripts).

Thank you for forwarding this information to interested people in your networks.

Best wishes,

Swetha & René
