

TOP STORY

Now our job is to translate the Paris agreement into an action plan
*17/12/2015*The Paris Agreement, approved by the Parties, states that global warming should be limited to below 2 degrees Celsius, but strives to pursue a 1.5-degree target. Through this Agreement, the UNFCCC Parties have recognized that “adaptation is a global challenge faced by all with local, subnational, national, regional and international dimensions”
