

**Announcing Lincoln Institute's Request for Research Proposals on Global Approaches to Land Value Capture:**

The Lincoln Institute of Land Policy invites proposals for original research papers and case studies regarding the implementation of land value capture instruments to address urban development challenges in a range of contexts across the globe. Policy-oriented empirical studies and international comparative works are encouraged.

The submission deadline for proposals is February 15, 2018.

For more detailed information on how to apply, please visit the [RFP webpage](#).
