

Associate Professor in City and Regional Planning

About the position

The University of Stavanger is looking for an Associate Professor in City and Regional Planning at the Department of Safety, Economics and Planning. The position is available now.

The subject area for the position is city and regional planning with a special focus on sustainable urban development and mobility, as well as planning for low energy and smart technology in buildings, transportation and society.

As an Associate Professor, you will primarily teach and supervise students at bachelor's, Master's and PhD level within city and regional planning, technical planning, urban development and design, conduct research and disseminate research results within relevant research areas at the department, and contribute to the development of partnerships with businesses.

The development/use of digital and diverse learning methods, innovation, value creation based on results from research, and academic development work, will be included in the position.

The [general job description](#) gives a more detailed account of the subject area and relevant duties for associate professors.

Contact information

More information on the position can be obtained from Associate Professor Daniela Müller-Eie, tel: +47 51831915, e-mail: daniela.mueller-eie@uis.no or Head of Department Tore Markeset tel: +47 51832191, e-mail: tore.markeset@uis.no.

Information about the appointment procedure can be obtained from HR-advisor Margot A.Treen, tel: +47 51831419 e-mail: rekruftering@uis.no.

Application

Apply for the position online via the “Apply for the position” link on this page. Here you can submit your application and CV with relevant education and experience.

The following documents must be uploaded as attachments to your application in separate files:

- relevant certificates and references.
- complete list of scientific work
- up to 10 works which document your teaching and educational competence; see [Guidelines for the Assessment of Teaching Skills](#).
- up to 10 scientific works which are pivotal to your research output, including your PhD thesis
- documentation of other relevant activities concerning the position requirements

The documentation must be available in either a Scandinavian language or in English. If the total size of the attachments exceeds 30 MB, they must be compressed before upload. Information and documentation to be taken into account in the assessment must be submitted within the application deadline.

Please note that information on applicants may be published even if the applicant has requested not to be included in the official list of applicants - see [Section 25 of the Freedom of Information Act](#).

UiS only considers applications and attachments registered in JobbNorge.
