Sue Jackson and Graham Scambler
- [Women prostitutes in the AIDS era](#)
Graham Scambler, Rita Peswani, Adrian Renton and Annette Scambler

Key thinkers and debates podcast series

Podcasts in the "Key thinkers and debates" series contain interviews and discussions with key figures in the sociology of health & illness. In some cases, these are long-established sociologists reflecting on the past, present and future of the field, or on particular contributions which they have made. In other cases, they are authors or editors discussing papers or special issues which they have produced under the auspices of the journal.

Also in the series

- [Interview with Mike Bury and Jonathan Gabe](#)
- [Interview with Professor Renee Fox](#)
