Urbanities is the Journal of the IUAES Commission on Urban Anthropology (CUA)

Urbanities is the Journal of the IUAES Commission on Urban Anthropology (CUA) . It is published on line twice a year (May and November). Publication on paper is currently under discussion.

Urbanities is an open-access peer-reviewed international academic journal. It aims at publishing original articles on research at the forefront of the discipline, at exploring new trends and debates in Urban Anthropology that promote critical scholarship and at highlighting the contribution of urban research to the broader society.

Urbanities welcomes contributions from new and established scholars, researchers and practitioners who can make a valuable contribution to the subject matter and to international anthropology. Alongside scientific articles, **Urbanities** publishes review articles, book reviews and news on research done and in-progress and on recently completed doctorates in urban anthropology. In order to stimulate debate, **Urbanities** encourages publication of letters and comments. It also publishes brief announcements of forthcoming conferences and other relevant events, conference reports, University courses and jobs; announcements from Publishing Houses.
