

Dear RC21 Members,

The first Virtual Issue for 2012 on **New York City** – published by IJURR – is now live on Wiley Online Library as free to access until the end of 2012. It will be launched at the AAG IJURR Lecture.

This is IJURR's third Virtual Issue following on from the successful Urban Sociology Virtual Issue launched at the ASA last August, and prior to this an issue on Dutch Cities.

The next Virtual Issue will coincide with ISA-Forum in Buenos Aires (actually 2 virtual issues should be launched there) followed by a Virtual Issue on China led by Fu-long Wu.

All Virtual Issues can be found on the Wiley Online Library page as a [special feature](#) (in the left menu) by date order.

All the best

Yuri Kazepov
