Books | Journal Articles

Welcome to your *Statistics and Mathematics Update*. This month we are featuring our journal, book and reference content about Statistics for the Social Sciences.

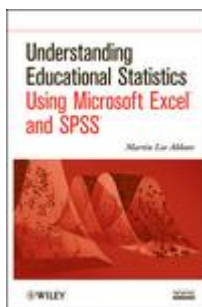

### Books

Multivariate Analysis for the Biobehavioral and Social Sciences: A Graphical Approach

Statistics in Psychology Using R and SPSS

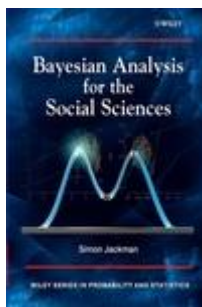

Understanding Educational Statistics Using Microsoft Excel and SPSS

Question Evaluation Methods: Contributing to the Science of Data Quality

Statistics in the Social Sciences: Current Methodological Developments

Bayesian Analysis for the Social Sciences

### FREE Online Book Chapters

Refine your email preferences to be able to download selected chapters from our online books relevant to **statistics for the social sciences**. Click [here](#) to sign up today.

### Journals

Access these top papers from our leading statistics journals:

#### Journal of the Royal Statistical Society: Series A - Statistics in Society

- Charitable giving for overseas development: UK trends over a quarter century
- Institutions, foreign direct investment and growth: a hierarchical Bayesian approach

Interested in economics? Don't miss the Economics and Finance Virtual Issue from the Journal of the Royal Statistical Society. Offering a collection of economics and finance papers with FREE access!

### Research Synthesis Methods

- [Systematic literature searching in policy relevant, inter-disciplinary reviews: an example from culture and sport](#)
- [The problem of natural funnel asymmetries: a simulation analysis of meta-analysis in macroeconomics](#)

Your institution's library can enjoy free online access to this journal until the end of 2012!

**Encourage them to opt in today!**

### Significance Magazine

- [Financial hurricanes](#)
- [Do what the neighbours do : Reopening businesses after Hurricane Katrina](#)

Don't Miss the [Significance Website](#)

Entertaining, thought-provoking and updated daily, this site is for anyone with an interest in statistics. For the latest statistics news, case-studies, easy to read articles, practice and problem solving techniques, videos, teaching tools and more [visit and bookmark today!](#)

Browse the dedicated channels with leading articles in these subjects:

### Journal of Time Series Analysis

- [On detecting the optimal structure of a neural network under strong statistical features in errors](#)
- [Detecting misspecifications in autoregressive conditional duration models and non-negative time-series processes](#)

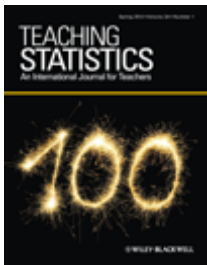

### ***International Statistical Review***

- [Cecrops, King of Athens: the First \(?\) Recorded Population Census in History](#)
- [Stochastic Control and Mathematical Modeling: Applications in Economics by Hiroaki Morimoto](#)

### ***Australian & New Zealand Journal of Statistics***

- [Multilevel Discrete-time Event History Models with Applications to the Analysis of Recurrent Employment Transitions](#)
- [Estimation of the Number of People in a Demonstration](#)

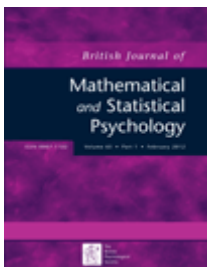

### ***Teaching Statistics***

- [Teaching statistics using classic psychology research: an activities-based approach](#)
- [Active learning? Not with my syllabus](#)

### ***School Science and Mathematics***

- [Introducing the Emerging Discipline of Statistics Education](#)
- [Data Analysis and Statistics in Middle Grades: An Analysis of Content Standards](#)

### ***British Journal of Mathematical and Statistical Psychology***

- [FREE sample issue](#)

### ***The Econometrics Journal***

- [Royal Economic Society Annual Conference 2009: Special Issue on Factor Models – FREE to download](#)

### **Journal of Applied Econometrics**

- [FREE Special Issue: Measurement and Analysis of Subjective Explanations](#)

### **British Journal of Educational Technology**

- [Designing a web-based collaborative-learning module for statistical problem solving](#)
- [Effects of game technology on elementary student learning in mathematics](#)

### **Dyslexia**

- [Mathematics anxiety in secondary students in England](#)

### **Journal of Computer Assisted Learning**

- [Matching and mismatching between the pedagogical design principles of a math game and the actual practices of play](#)
- [The application of Simulation-Assisted Learning Statistics \(SALS\) for correcting misconceptions and improving understanding of correlation](#)

### **Australian Journal of Psychology**

- [The statistical recommendations of the American Psychological Association Publication Manual: Effect sizes, confidence intervals, and meta-analysis](#)

## **Review of Urban & Regional Development Studies**

- [Wage inequality in Turkey: Decomposition by statistical regions, 1980–2001](#)

## **International Journal of Economic Theory**

- [Complex networks and local externalities: A strategic approach](#)

## **Australian Economic History Review**

- [The supply of economic history in Australasia: The \*Australian Economic History Review\* at 50](#)

## **China & World Economy**

- [Inflation and Economic Growth in China: An Empirical Analysis](#)

## **Pacific Economic Review**

- [Population ageing, capital intensity and labour productivity](#)

## **Oxford Bulletin of Economics and Statistics**

### **Read the Special Issue on [Economic Growth in China](#)**

We are delighted to offer you free online access to the Editorial Introduction and the first Original Article from this Special Issue – both freely available online until 31st March 2012.

**Editorial Introduction – Freely available online!**

- [Economic Growth in China: Productivity and Policy : Editorial Introduction](#)

## Original Articles

- [Diagnosing Development Bottlenecks: China and India](#) 

## Political Insight

- [Moneyball: Can Sports Statistics Save Political Studies?](#)

## American Journal of Political Science

- [What to Do about Missing Values in Time-Series Cross-Section Data](#)

## The British Journal of Politics & International Relations

- [Bureaucratic Performance and Control in British Politics: Asylum Policy 1994–2007](#)

## WIRES Data Mining & Knowledge Discovery

- [Robust statistics for outlier detection](#) 
- [Data mining and crime analysis](#)
