

LEE KUAN YEW
WORLD CITY ○
PRIZE

CALL FOR NOMINATIONS

2014

The Lee Kuan Yew World City Prize 2014 is now calling for nominations. Cities can be nominated through a 2-stage process.

STAGE A NOMINATIONS

Cities can be nominated by independent third parties who are leading academics, government officials and heads of international organisations in the fields of urban planning, housing, transport management, urban design and architecture, energy conservation, urban policy and management and any other relevant fields. Nominations are also accepted from non-government organisations and academic institutions. [More](#)

Closing date: 29 March 2013 (Friday, 6pm Singapore time)

STAGE B NOMINATIONS

Nominated cities will have to submit a report that fully demonstrates the sustained and durable transformation at city-wide level and the success of the overall master plan or strategy for the city through key demonstration projects (up to a maximum of three projects). [More](#)

Closing date: 31 May 2013 (Friday, 6pm Singapore time)

THE PRIZE

The Lee Kuan Yew World City Prize is a biennial international award that honours outstanding achievements and contributions to the creation of liveable, vibrant and sustainable urban communities around the world. The Prize seeks to recognise cities and their key leaders and organisations for displaying foresight, good governance and innovation in tackling the many urban challenges faced, to bring about social, economic and environmental benefits in a holistic way to their communities.

AWARD

The Prize Laureate will be presented with an award certificate, a gold medallion and a cash prize of S\$300,000, sponsored by [Keppel Corporation](#). The Prize will be presented at Lee Kuan Yew Prize Award Ceremony & Banquet held during the World Cities Summit in Singapore from 1 – 4 June 2014.

PAST PRIZE LAUREATES

2012: CITY OF NEW YORK

The City of New York was awarded the 2012 Prize for its remarkable transformation to a greener and more liveable city over the last decade. The city has defined a bold, sustainable vision for its future to bring about a marked increase in the quality of life. New York is an inspiring model that offers many innovative and replicable solutions for other mature, high-density global cities to reframe their future in terms of sustainability. [More](#)

2010: BILBAO CITY HALL

Bilbao City Hall was named the inaugural Lee Kuan Yew World City Prize Laureate in recognition of its integrated a holistic approach in urban transformation. Bilbao City Hall has demonstrated that urban regeneration can be a powerful social and economic driver to catalyse change, strengthen the urban fabric, inject vibrancy and improve the quality of life for its citizens.
