

## Call for Fellows IIHS Post-Doctoral Programme

IIHS is seeking Post-Doctoral Fellows to join its vibrant intellectual environment within the Academics and Research programme. IIHS has created an internationally-recognised programme that allows Post-Doctoral Fellows to grow and be mentored for their future careers. The Post-Doctoral fellows will work towards the goals of the project they are hired for as well as the goals of the institution, offering the opportunity to develop a well-rounded career trajectory.

IIHS currently requires seven Post-Doctoral Fellows to join three projects: the PEAK project, supported by the Global Challenges Research Fund (GCRF) by RCUK; The Hungry Cities Partnership; and the ongoing work with WHO and WIEGO network. The specific positions are:

Post-Doctoral Fellow in Urban Informality and Urban Economics (GCRF-PEAK)

Post-Doctoral Fellow in Metropolitan Development and Land Based Financing for Urban Infrastructure and Development (GCRF-PEAK)

Post-Doctoral Fellow in Urban Energy Systems (GCRF-PEAK)

Post-Doctoral Fellow in Geospatial Analysis (GCRF-PEAK)

Post-Doctoral Fellow in Urban Infrastructure and Governance (GCRF-PEAK)

Post-Doctoral Fellow in Urban Systems (Hungry Cities Project)

Post-Doctoral Fellow in Urban Health and Social Protection (WHO and the WIEGO Network)

More details on the specific projects, open positions, and the application process are available [here](#).
