For The International Urban Development Community

Certified Sustainability Zones and Why We Need Them

In order to encourage municipalities and other political domains to reform the prevailing ways in which they assess their own performance, we created the Certified Sustainability Zone (CSZ) program....[Read more](#)

Urbanization And Its Impact On Mobility

WCCD CITY DATA FOR THE UNITED NATIONS SUSTAINABLE DEVELOPMENT GOALS 2018

WCCD City Data For The United Nations Sustainable Development Goals (2018)

WCCD City Data for the United Nations Sustainable Development Goal highlights the fact that high calibre city level data is already building in breadth and depth to support the SDGs, and that this data is essential to the success of the SDGs, since city leaders stand at the pivotal points for global change in building a more sustainable planet. Cities represent more than 80 percent of global GDP.....[read more](#)

Events

International Conference on Canadian, Chinese and African Sustainable Urbanization
(ICCCASU)

(11th to 15th July 2019)

The International Conference on Canadian, Chinese and African Sustainable Development (ICCCASU) is an international Think-Tank for exchange and cooperation on issues relating to sustainable urban development. Focusing on Canada, China and Africa, occurring every two years and rotating between the three regions, ICCASU brings together politicians, policymakers, scholars, practitioners, and others to share research and best practices on sustainable urbanisation through a series of conferences and training workshops.
