

URBAN GATEWAY

For The International Urban Development Community

[10 Cities are Predicted to Gain Megacity Status by 2030](#)

Think of the biggest cities in the world. The megacities. True giants with populations of over 10 million people. They are among 10 cities that the UN predicts will break the 10 million mark between now and 2030, bringing the total number of megacities to 43...[Read more](#)

People First: Driving growth in emerging megacities

MAKE TOMORROW, TODAY  MERCER

[People First: Driving Growth in Emerging Megacities](#)

Around the world, there are extraordinary growth opportunities for cities, businesses and people. Between 2010 and 2025, nearly half (47%) of GDP growth will come from 443 growth economy cities that are on a trajectory to attract one billion new consumers.¹ Growth comes with growing pains related to how cities function, how businesses meet labor needs and how people decide whether a job move is right for them. Emerging cities face the pressures of finding, developing and keeping highly skilled workers...[read more](#)

Events

[International Conference on Canadian, Chinese and African Sustainable Urbanization](#)

[\(ICCCASU\)](#)

(11th to 15th July 2019)

The International Conference on Canadian, Chinese and African Sustainable Development (ICCCASU) is an international Think-Tank for exchange and cooperation on issues relating to sustainable urban development. Focusing on Canada, China and Africa, occurring every two years and rotating between the three regions, ICCCASU brings together politicians, policymakers,

scholars, practitioners, and others to share research and best practices on sustainable urbanisation through a series of conferences and training workshops.
