

REDESMA, Boletín 15-5 EXTRA XXXX: 15 de julio de 2013

REDESMA expresa su agradecimiento con las Instituciones que a través de este boletín Extra, apoyan el trabajo que realizamos por más de diez años a nivel regional

The Nature Conservancy, one of the largest environmental organizations in the world, is looking for a **Director Government Relations II** for Argentina. The Argentina Country Representative is the legal representative and the spokesperson of The Nature Conservancy (TNC) in Argentina. In this role the Country Representative has legal accountability for country-wide matters especially when the legal framework establishes responsibilities in labor, taxes, government contracts and agreements.

BASIC QUALIFICATIONS:

- Bachelor's degree in political science, public policy, government relations or related field and 5 years experience, including experience working with legislative issues. Equivalent combination of education and experience acceptable. Master's degree (preferred).
- Experience with current political and conservation trends and issues at international level, specifically in Peru and relevant geography.
- Knowledge of relevant lobbying laws and regulations.
- Experience developing, directing and managing multiple projects and implementing strategic program goals.
- Experience preparing and presenting project proposals to and/or negotiating with international organizations, national or sub-national government representatives.
- Experience using MS Word, Excel, Outlook etc. and navigating the Internet.
- Ability to work with partners/government agencies without violating any restrictions related to conflicts of interest, lobbying former employers, or influencing decision makers.

KNOWLEDGE/SKILLS:

- Bachelor's degree in political science, public policy, government relations or related field and 5-7 years experience, including experience working with legislative or campaign issues. Equivalent combination of education and experience acceptable. Master's degree may be preferred or required.
- Knowledge of current political, socio-economic and conservation trends and issues in the Country; excellent working knowledge of country legislature as it relates to conservation issues.

ESTE BOLETÍN SE PRODUCE POR ENCARGO DE TNC
