[The programme of the 1st World Forum of Intermediary Cities in Chefchaouen at a glance](#)

26/06/2018

The Moroccan city of Chefchaouen is preparing to host the first edition of the World Forum of Intermediate Cities, a unique event that aims to make sustainable development a common reality from the perspective of intermediary cities. This forum aims to bring together every two years, mayors of intermediary cities, policy makers and other partners.
