[Launch of the World Observatory on Subnational Government Finance and Investment](#)

28/06/2019

The World Observatory on Sub National Government Finance and Investment, the first of its kind, is a joint initiative of the OECD and UCLG. It provides systematised information on decentralisation processes, territorial reforms, the powers and responsibilities of local authorities, and the nature and weight of their income, expenditure and investment in over 120 countries.
