The University of the South Pacific

The University of the South Pacific is one of only two regional universities in the world. We are the leading tertiary education provider and research facility in the South Pacific. The USP recognises the importance of research activity to our academic staff and therefore provides incentives to encourage research and publications output. <https://www.usp.ac.fj/>

School of Tourism & Hospitality Management

The School of Tourism and Hospitality Management aims to excel as a globally accomplished centre of expertise in tourism and hospitality management, maintaining a distinguished profile in education, training, professional practice and research.

STHM is one of the best providers of tourism and hospitality education in the South Pacific and an international model for innovative teaching and research. Through classroom instruction, experiential learning and executive education, we prepare talented professionals and scholars for rewarding careers. Our comprehensive programmes and dedication to research, led by accomplished faculty, are among the region's best. The School of Tourism and Hospitality Management's academic programmes are fully accredited by the International Centre of Excellence in Tourism and Hospitality Education (THE-ICE).
