

Dear all,

Please forward to your networks and any potential candidates.

Thanks,

Richard

Mobility-as-a-Service (MaaS)

Analysing activity-travel behaviour and its application to on-demand multi-modal mobility solutions in cities

We are looking for an outstanding PhD candidate with quantitative and spatial analytics skills for a 3yr-funded project bridging Mobility-as-a-Service (MaaS) design and activity-travel-behaviour analysis, working with [@gisplanner](#) and [@RansfordTweets](#) [@PlanningUOM](#) [@UoMUrban](#)

The application deadline for this studentship is Monday 19th August 2019 at 5pm BST. Full details here: <https://www.seed.manchester.ac.uk/study/postgraduate-research/opportunities/>
