Redesigning Mobility for the Future

Janette Sadik-Khan has been the force behind New York's dramatic shift to more sustainable forms of transport since 2007. As the Commissioner of New York City's Department of Transportation (NYC DOT) she talks about the significant transport changes made in the recent years and how New York City is giving mobility back to its people.

New York City will also be sharing insights to New York City's challenges and achievements at the [Prize Lecture](#) during the [World Cities Summit 2012](#).
