[A Blue Urban Agenda: Adapting to Climate Change in the Coastal Cities of Caribbean and Pacific Small Island Developing States](#)

A Blue Urban Agenda: Adapting to Climate Change in the Coastal Cities of Caribbean and Pacific Small Island Developing States provides strategies to implement commitments for SIDS in international agreements, such as the Small Island Developing States Accelerated Modalities of Action resolution (Samoa Pathway), COP21, the Sustainable Development Goals, and Habitat III. The report follows the IDB Group's announcement last year that it would increase the volume of climate-related financing to 30 percent of operational approvals by the end of 2020....[Read more](#)
