

Dear colleagues,

We are recruiting an Associate Professor in Human Geography to join our Sustainable Urban Development programme, teaching and supervising in our part-time MSc and DPhil in Sustainable Urban Development, at the Department for Continuing Education, University of Oxford. This is a joint appointment with Oxford's School of Geography and the Environment.

Preference will be given to candidates with expertise in *environmental sustainability* and *climate change*. Closing date is noon 9th April 2018 (UK time). Interviews will probably be held on 11 May 2018. More details here:

https://www.recruit.ox.ac.uk/pls/hrisliverecruit/erq_jobspec_version_4.jobspec?p_id=133109

All the best,
idalina
