

job: Asst. Prof. (TT) in Critical GIS and Digital Mapping at University of Washington Tacoma

Forwarded / please forward widely / apologies for cross-posting.

Hi all,

We are currently advertising a tenure track position in Critical GIS and Digital Mapping within the Urban Studies Division at the University of Washington Tacoma to begin this coming Fall.

Candidates are expected to hold or be in the final stages of completing a Ph.D. or foreign equivalent in urban studies, geography, or planning-related field and to maintain an active research agenda that utilizes critical social theory as well as new and emerging spatial technologies. Technical expertise in such areas as (but not limited to) web cartography, spatial computation, or big data visualization is sought in conjunction with a research focus in areas such as (but not limited to) critical GIS, digital geographies, or urban and environmental justice.

If you are interested, please see the ad here: <http://ap.washington.edu/ahr/academic-jobs/position/aa27359/>. Application review will begin **April 6, 2018**.

All the best,
Jim
