Direction:**University Campus of Badajoz**

Avenida de Elvas, s/n
06006 Badajoz (Spain)

University Campus of Évora

Largo dos Colegiais 2
7000-645 Évora (Portugal)

Intended for:

Teachers, researchers, lawyers, engineers, ecologists, geographers, architects, economists, sociologists, social communicators, technical officers and politicians in terms of territory, environments and urbanism, as well as the university community in general.

Congress subjects:

During this event, processes and foreseeable scenarios which our society approaches from a scientific, technical and political perspective will be analysed on environmental and territorial matters.

Contextually, several themes will be addressed, namely: *Public Sustainable Management; Corrective Policy on Inequalities; Right and Environmental Legislation; Urban Planning; Sustainable Tourism; Territorial Planning and Resilience; Climate Action; Hydrological Resources; Biodiversity; Green and Circular Energy; Local Communities and Economic Development; Innovation, Infrastructure and Technologies; Education on Development; Migration and International Cooperation.*

Publication:

All the accepted papers/abstracts will be published in the conference **Book of Abstracts** (with ISBN) which is foreseen as a Congress outcome.

THE BEST RESEARCH PAPERS will be invited to submit full versions to book editors and Scientific Journals associated with the event, as is the case of:

- As a book chapter in paper format and with an e-book code– by the prestigious publisher **THOMSON REUTERS** – subject of an additional editing fee of 300,00€ once accepted after a peer review process.
- As a research paper on **JOURNAL MONFRAGÜE DESARROLLO RESILIENTE** (ISSN 2340-5457) – This journal focuses on scientific Works regarding the approach of resilience, as a more concrete approach than the traditional concept of Sustainability – No publication fees.
- As an article within the **JOURNAL "JUSTICIA AMBIENTAL, TERRITORIO Y SOSTENIBILIDAD" Volume II** (environmental justice, territory and sustainability). (ISBN:978-84-938516-1-3) Editorial CEDITEX/FISAT, with an editorial fee of 175,00€, once accepted after a peer review process.
