

The Indian Institute for Human Settlements has launched the fifth iteration of the Urban Fellows Programme (UFP) 2020-21. The UFP is a ten-month, full-time, scholarship-based interdisciplinary fellowship at the IIHS City Campus in Bengaluru, India. It seeks to combine classroom teaching, site-based applied learning, work in live projects, and external internships to introduce learners to diverse forms of urban practice.

The fellowship will run from August 2020 to May 2021. Recent graduates and young professionals from varied educational backgrounds or practice domains who were born on or after 1 August 1990 are eligible to apply. The UFP is committed to providing scholarships to all candidates who receive admission and are unable to pay the programme tuition, after a review of their financial needs. A series of informational webinars will be held from 19 March to 16 April 2020, every Monday and Thursday from 5 pm to 6 pm. To register for the webinars, please click [ here ](
