Dear _____ colleagues,

I hope this email finds you well. I am writing to announce the publication of the book "The Migration Crisis in the American Southern Cone: Hate Speech and Its Social Consequences".

The book analyzes how the changes in intra-regional migration to countries of the American Southern Cone such as Brazil, Argentina and Chile have multiplied and intensified the hate discourses towards migrant populations. Its chapters set out to explain the effects of these trends by analyzing statistical data, official documents and ethnographic material gathered over a long period of research carried out throughout South America. The volume has the contributions of various authors with extensive experience in migration studies _____ in _____ the _____ region.

The researchers, institutions and universities that purchased the "Springer Nature Group 2021 e-books Package" have free access to the electronic version of the book. (Please, check with your institution
