Plan Internacional Inc. Bolivia

Plan International Inc. Bolivia, an International Child-Centred Community Development Organisation, working in Bolivia since 1969 is looking for a results oriented strategic thinker to fill the position of:

FINANCE MANAGER

The role of the position is to lead the business planning and financial processes, to support the achievement of the Country Strategic Framework and Plan's aims in the country. This is a local position reporting to the Regional Finance Manager, based at the Country Office in La Paz, Bolivia. The successful applicant must be fully bilingual (Spanish- English) and demonstrate record of high performance in financial area.

Major responsibilities include:

- Support the Country Management Team to manage relationships and processes relating to partners and donors.
- Guide and facilitate effective and efficient use and management of financial resources.
- Implement and maintain financial policies, procedures and standards to provide strong internal controls and continuous improvement, aligned to local regulatory legislation.
- Provide financial information and analysis that supports the country to meet programs objectives.

Requirements:

- University degree in Economics/Finance/Business Administration.
- MBA postgraduate degree with major in Finance and Accountancy preferred
- Five years proven ability in financial management & internal controls
- Five years experience in a related management position preferably in development organizations, with solid supervisory, people management and inter-personal support skills.
- Speaks, reads and writes English fluently.
