

Journal of Community Positive Practices

www.jppc.ro

The Journal of Community Positive Practices

(JCPP) was founded in 2001 as a result of a project regarding the development of services within the community funded by the World Bank.

JCPP offers a high level scientific environment for the debate of contemporary social issues and publishing of original scientific papers on social concepts and research. With four issues a year, the journal addresses researchers, professors and students in social sciences, practitioners, decision makers and the general public worldwide.

Call for papers JCPP no. 2 / 2013

The Journal of Community Positive Practices is a Social Research Review with appearance in both printed and electronic versions which proposes topics of public interest published in accordance with the rules described within the section

<<http://www.jppc.ro/?lang=en&page=instruțiuni>>instructions
