

Advances in Historical Studies

- Call for Papers -

This mail is sent from the journal of *Advances in Historical Studies* (AHS, ISSN: 2327-0446), an **open access** academic journal. The goal of this journal is to provide a platform for scientists and academicians all over the world to promote, share, and discuss various new issues and developments in different areas of historical studies. You are cordially invited to submit original research manuscripts or recommend papers to be published in this journal. For more information, please visit: www.scirp.org/journal/ahs.

Based on open access (OA) mode, you will have full access to all the articles published online and be able to download them without any subscription fees. Moreover, the influence of your research work will rapidly expand once you become an OA author, because an OA article has more chances to be used and cited than one that plods through the subscription barriers of traditional publishing model.

Papers are expected to be submitted at "[Submission](#)" section in the above website. Once a manuscript is accepted for publication, it will undergo language copyediting, typesetting, and reference validation in order to provide the highest publication quality possible.

Please do not hesitate to contact us if you have any questions about the journal. You are more than welcome to keep us updated on the latest focuses of your academic interest and inquiries.

Best regards,
