SSH INTERNATIONALISATION

fund|it : International research and mobility grants for the humanities and social sciences

Are you looking for a research fellowship somewhere in the world? Do you want to come to France? Or do you seek funding for your research project?

The RFIEA foundation, in partnership with the FMSH and supported by the French National Center for Scientific Research (CNRS), has developed an online platform to internationalize social science and humanities research: fundit.fr

fund|it centralizes and publishes on one single site all calls for applications for research fellowships in France and abroad, as well as all worldwide calls for projects to obtain funding for individual or collaborative research.

To date, [fund|it](http://fundit.fr) lists over 90 residential fellowships in France and abroad, 40 individual research funding opportunities and 200 collaborative research funding

opportunities with an overall grant amount of over **350 m€!**

Advanced features

In order to ensure high-quality support for your research, fund*it* also provides:

- A [personal user account](#), allowing you to subscribe to e-mail alerts and updates according to your preferences;
- a [blog](#) publishing advice, feedback, and interviews;
- a [Facebook](#) and [Twitter](#) account where you can also find all calls for applications published on the site;
- a [Linkedin](#) group to share tips and experiences;
- A monthly newsletter

Since December 2015, over **1,000 calls** for applications have been published, and over **750 institutions** listed.
