[The UCLG Executive Bureau highlights local and regional action as the cornerstone of the implementation of the global goals](#)

21/04/2017

Our Executive Bureau met in Madrid on 19 April, back-to-back with the First World Forum on Urban Violence and Education for Coexistence and Peace. Representatives of cities and local and regional governments, along with important figures from the urban world, came together to draw attention to the important role that local governments play in solving the major challenges of our time.
