*These special COP22 updates from Bridges Weekly are being sent to all of ICTSD's English-language mailing lists. There will be three updates over the two-week duration of the COP. Please do not unsubscribe from these updates unless you wish to remove yourself from our mailing lists.*

## **Bridges Special Update #3: At Marrakech Climate Talks, Universal Pledge to Ramp Up "Irreversible" Momentum**

The UN Framework Convention on Climate Change's (UNFCCC) annual conference drew to a close in Marrakech, Morocco, on Friday 18 November, capping two weeks of talks aimed at implementing the Paris Agreement on climate change.

## ICTSD at the UNFCCC COP22

### **Spotlight**

[ICTSD at the Twenty-Second Conference of the Parties \(COP22\) to the UN Framework Convention on Climate Change \(UNFCCC\)](#)

The International Centre for Trade and Sustainable Development (ICTSD) held a series of events on the sidelines of the UN's climate conference in Morocco, including on scaling up renewable energy; implementing Article 6 of the Paris Agreement; and designing a post-Paris roadmap on consumption-based carbon accounting and policies. More information about the individual events is available at the above link.
