Publishing in print and online February 2013

Take advantage of special introductory pricing to receive over 15% off of the print set! **Recommend to your library today!**

This definitive reference resource contains over 400 specially-commissioned entries that explore both historical and modern social and political movements throughout the world.

Key Features of the Encyclopedia:

- **COMPREHENSIVE:** Comprising over 400 entries, this invaluable reference resource explores major social and political movements and related collective phenomena across the globe
- **INTERNATIONAL:** Brings together a prestigious editorial team drawn from twenty-five countries and from across four disciplines
- **WIDE-RANGING:** Covers a broad range of topics to create an understanding of many of the most significant social and political developments and changes throughout much of human history, from the French Revolution, to the global women's movement, to Martin Luther King Jr. and the American Civil Rights Movement, through to more recent issues including environmentalism and the Arab Spring
- **AUTHORITATIVE:** Organized and authored by an international team of leading scholars
- **MULTI-FORMAT:** Available online or as a three-volume print set, structured in a user-friendly A-Z format
