[You can't miss UCLG at the Habitat III Conference in Quito](#)

30/09/2016 UCLG is organizing a delegation of hundreds of mayors and locally elected leaders to the Third UN Conference on Housing and Sustainable Urban Development in Quito from 17-20 October, facilitating the presence of all the networks of the Global Taskforce of Local and Regional governments at the Conference. UCLG may not be visible in Quito at first sight, but we have played a defining role in the involvement of local and regional governments at Habitat III. (+)
