

Dear Faculty and Researchers,

PolytechnicPositions.com portal is regarded by many as a valuable source of information whether they are active in the recruitment field or considering a career move personally. It gives me great pleasure to present you with the next issue of our academic and research career advancement journal. This includes open faculty and research positions in engineering and technology, ranging from senior executive roles through to academic posts and research related positions, in polytechnic universities and research centers posted on Polytechnicpositions.com worldwide. I trust you will include our regular vacancy updates as an essential part of your career planning.

Post your jobs on Polytechnicpositions.com to reach precisely the right faculty and researchers, specialising in engineering and technology, with ease. Your adverts posted on PolytechnicPositions will be also included in our academic and research career advancement journals sent out to more than 1,600,000 faculty and researchers specialising in engineering and technology worldwide.
