

The Urban Studies Institute at Georgia State University is recruiting for two assistant professor positions one in **sustainable urban systems** and one under the broad title of **urban politics and governance**. We welcome applications from scholars with wide range of disciplinary backgrounds and conceptual approaches – including critical geographers and people with research, teaching, and outreach interests in inclusion and equity, gender, race, ethnicity, LBGTO, and other urban issues.

For more details on the positions, click here: <https://urbaninstitute.gsu.edu/employment-opportunities/> and forward any questions to urban@gsu.edu

Best,

Jean-Paul

Jean-Paul Addie, PhD
