THE STRATEGIC PLAN 2020-2023

The basis of the Plan is UN-Habitat's new vision of "a better quality of life for all in an urbanizing world". This vision is encapsulated in the Plan's 4 domains of change namely:• Reduced spatial inequality and poverty in communities across the urban - rural continuum;• Enhanced shared prosperity of cities and regions;• Strengthened climate action and improved urban environment; and• Effective urban crisis prevention and response. Whilst the formulation of the Plan was a major task, I expect its implementation to be both challenging and rewarding. For the agency, we now have a robust and clear strategic focus to guide our work in positively

transforming lives in cities and communities around the world..[read more](#)

Events

Marmara Urban Forum (MARUF)

(1st to 3rd OCTOBER 2019)

The gathering is set to bring together over 3,000 participants including professionals from cities, national, regional and local governments, private sector, NGOs, universities and other stakeholders that play a crucial role in the design, transformation and governance of cities with the aim of sharing knowledge, experience and of creating new opportunities. The events

are comprised of panels, parallel sessions, interviews, roundtables, workshops, concerts, exhibitions, competitions and field trips organized for three days.
