I would like to circulate the message that Scrintal launched its 2021 Scholarship Program to provide motivated undergraduate students with a financial aid opportunity and other resources to navigate challenges on the road to graduation.

#### Important Dates

The applications close on December 25th (2021) and the grant is awarded on January 25th (2022).

#### Who can apply?

Students enrolled at the Bachelor's level (2021/2022) can apply, regardless of the study field, location, or affiliated institution.

#### Selection criteria

The selection criteria are based on a passionate presentation of one's study area, a creative answer on an innovative idea or dream solution in one's study area, and a solid plan on how to use the grant.

#### About Scrintal

The Swedish software startup is building a flexible and extendable tool that would allow students & researchers to collect, connect, and use their information— documents, texts, videos, audios, photos, in a visual way. Scrintal is looking to support students around the world by providing them with a new platform to extract the most useful parts of their collected information in one place, making reading, writing, knowledge building, and sharing effortless.
